# ADDITIONAL INFORMATION

How do I find the technical specs on my computer?

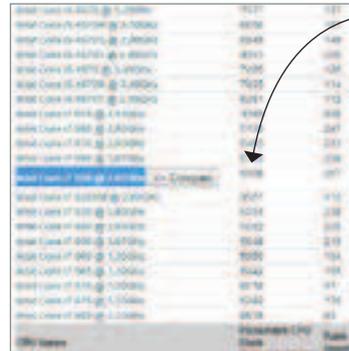

1. Click "Start"
2. Click "Computer"
3. Click "Properties"

2. Find "Processor".
(Ex. Intel Core i7 3770k)

3. Go to **www.cpubenchmark.net.cpu_list.php** and search for your Prosessor (CPU) type.

4. Find your CPU benchmark score.
(Ex. 5008)

5. Go to "Computer"
6. Check that your disk has 50 GB free disk space.
