With a ValuePlus™ Service Program, you can be confident that your product support needs are met.

-  **On-Site Installation and In-Service Training**
Get your simulation program off to a healthy start! Laerdal's Installation Service is designed to provide you with professional set-up of your simulator and basic operator training at your facility.
-  **Preventive Maintenance**
Like real patients, patient simulators need wellness checkups too! Preventive Maintenance programs are the simplest way to control costs with planned maintenance services. Available options: On-Site or Return to Laerdal Bench Service.
-  **Extended Warranty**
Laerdal's got you covered! An Extended Warranty continues the Laerdal standard manufacturer warranty coverage for your manikin, patient simulator, or system.
-  **Loaner**
Keep your training program running! The Laerdal Loaner Program offers an effective way to minimize disruptions to your training and simulation schedule. When unexpected equipment downtime occurs, we will dispatch a loaner unit overnight to your facility for use while your equipment is being evaluated by our Laerdal Technicians.
