

## Getting Started on eBooks.heart.org

### HOW TO ACTIVATE AN AHA EBOOKS ACCESS CODE

**Step 1 - Login:** Click the Login button on [eBooks.heart.org](http://eBooks.heart.org).

**Step 2 – Enter Account Details:** If you already have an American Heart Association account simply type in your username and password on the **Sign In or Create an Account** page (see below) and click **“Sign In”**. You may also login via social network if you have connected your AHA account. Upon successful login, you will be taken to your **Bookshelf**, or you can click **Bookshelf** in the top menu from any location on eBooks.heart.org. See **Step 3** below to continue.

If you do not have an account, follow **Steps 2A-2B** to **Register**.

**Step 2A - Register:** If you have not yet registered, click the **“Create an account”** link as shown below.

Sign In or Create an Account

Username / Email: \*

This field is required

Password: \*

This field is required

Sign In

Or, login with your social network:

Facebook Log in, Twitter, LinkedIn, Google, Yahoo, Microsoft

[Forgot password](#)

New User? [Create an account](#)

**Step 2B – Register (continued):** Complete all required registration information, accept the Terms of Use, and click “Continue”.

**Step 3 – Redeem Access Code:** Click “Redeem” in the top menu and enter your Access Code in the dropdown field. Please note that Access Codes are case sensitive and do not include any spaces. Press Enter or click the arrow to the right of the field and the appropriate ebook(s) will be placed on your **Bookshelf**.

**Step 4 – Reading Your eBook Online:** From your Bookshelf, click ‘Read Online’ next to the title you wish you read. The ebook will open in a new browser tab where you can immediately begin reading.

---
