

Laerdal Medical, one of the world's leading providers of Healthcare Solutions, is dedicated to helping save lives. Laerdal serves healthcare providers and educators with products and services for Basic Life Support, Advanced Life Support, Simulation, Airway Management, Immobilization, Patient Care, Self-directed Learning and Medical Education.

By 2020, we have a goal of helping save 500,000 more lives. Every year.

Supply Chain Analyst

The Supply Chain Management function focuses on designing, developing and managing the distribution and logistical systems from our own manufacturing units and finished goods suppliers to the customer. Applying proven logistical methods and integrated business processes utilizing IT an ERP systems, secures provisioning of products and services to our customers.

The EMEA region is today served by own operated distribution centres (DC) in UK, Norway and a larger 3PL operated DC in the Netherlands.

To strengthen our team we are looking for a candidate with a university degree in Business or Engineering, preferably with a specialisation in Supply Chain Management.

The Position (key responsibilities):

- Process improvement and optimisation
- Analysis work related to the EMEA region
- Provide supply chain expertise in product development projects
- Follow up and supervise 3PL and DCs
- Optimisation of planning data
- Operational support

The Candidate (desired skills and experience):

- Excellent knowledge of supply chain management concepts and methodology
- Strong general understanding of ERP systems and use of analytical tools such as Excel and data warehouse systems
- Strong analytical and problem solving skills, with ability to handle multiple tasks in an organized way
- Competence in applying statistical methods and advanced Excel modeling skills
- Positive attitude and ability to build relations and work cross-functionally in an international environment
- Excellent communication skills with proficiency in written and spoken English (Norwegian is a plus)

For more information about this position, contact Logistics Manager EMEA, Sylwia Pawluczuk on telephone: +47 401 64 304 or email: sylwia.pawluczuk@laerdal.com

Application with CV should be sent as soon as possible and before **May 15, 2016** to HR@laerdal.no
