

Ett hjärtsäkert Sverige
GÖTEBORG 11-12 OKTOBER

Some pictures and impressions
from the Swedish Resuscitation Congress

Göteborg, Oct 11-12, 2016

Preparations

Some of the materials used during the conference

Preparations - All hands on deck

Council representatives packing conference bags the day before the day – incl RQI Brochure, MiniBaby and the new Cardiac Arrest registry report

Preparations - All hands on deck

Council representatives packing conference bags the day before the day – incl RQI Brochure, MiniBaby and the new Cardiac Arrest registry report

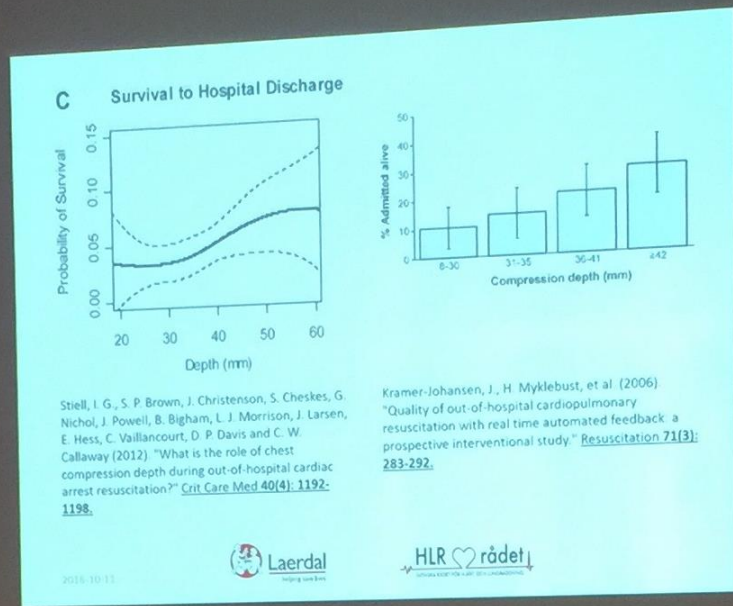

Preparations - All hands on deck

Council representatives packing conference bags the day before the day – incl RQI Brochure, MiniBaby and the new Cardiac Arrest registry report

Preparations

Andreas handing out conference bags for 2,600 people – that is many bags...

RQI Symposium

Johan Engdal (chairman of the Council) introducing RQI at the RQI Symposium for about 60 people responsible for CPR training in hospitals and ambulance services

Hur kan RQI hjälpa mig i mitt arbete som instruktör?

Annika Ehlers
Regiongruppen, Svenska Rådet för HLR
Sjuksköterska, HLR-organisatör Arvika sjukhus

RQI Symposium

Annika Ehlers from the Council's Board talking about how RQI can help CPR instructors – by saving time and increasing quality

RQI Symposium

Michael and Espen doing a live demo of RQI Skills Station and Analytics

Opening plenary session

2,600 enthusiastic and
passionate CPR instructors –
what an atmosphere!

FOCUS I D-HLR

- ✓ HLR med god kvalitet
- ✓ Max 10 sekunder uppehåll
- ✓ Teamträning med återkoppling
- ✓ Low dose - high frequens training

Plenary sessions

Strong focus in all new programs on Low-dose, high-frequency training; team training; and high quality of CPR

HLR-rådet satsar på högre HLR-kvalitet med Resuscitation Quality Improvement (RQI)

Johan Engdahl

RQI systemöversikt

Underhåll
av tekniska
färdigheter

Kvartalsvis återkommande
Utbildning och
färdighetsträning för
Högkvalitativ HLR

Löpande
kompetenskort
Som förlängs
kontinuerligt

Automatisk uppdatering
av nya riktlinjer

Portabel enhet för bättre
tillgänglighet vid
färdighetsträning

2016-10-12

Plenary session

Johan Engdal launching RQI

-“If I have seen a little
further, it is by standing
on ye shoulders of giants”

Isaac Newton, letter to Robert Hooke, 15th February 1676

Awards

Stig Holmberg receiving the «Golden Honorary Award» for his work to help increase survival from Cardiac Arrest.

What a humble and great man..

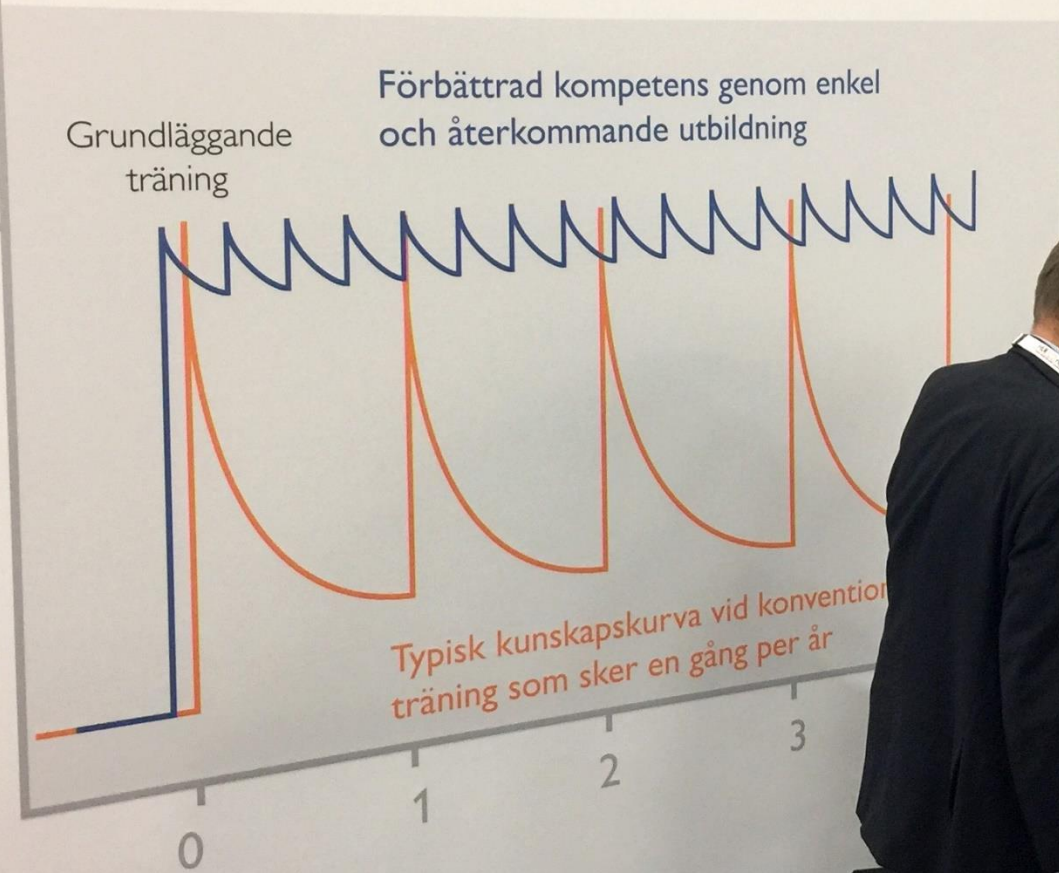

Exhibition

Many people tried and tested RQI stations

RQI - En vetenskaplig innovation för HLR-träning

Exhibition

Tor in action on the RQI station

 **HLR2016**
