Bystander CPR Saves Lives

Mini Anne[®] Plus

Mini Anne[®] Plus is a cost-effective solution for teaching quality CPR to large groups.

With ten durable and reusable CPR manikins in each set, learners can increase their hands-on time by practicing with their own, individual manikins. Mini Anne Plus includes everything to get your CPR class up and running in one convenient kit.

Mini Anne® Plus

Features:

- Reusable set of 10 Mini Anne manikins
- Lightweight, affordable and durable manikins for high-frequency CPR instruction
- Easy-to-use pump bag for hygienic inflation
- Convenient storage
- Realistic manikin features: head tilt/chin lift opens airway, visible chest rise and proper anatomical landmarks
- Guidelines compliant clicker setting
- Soft clicker setting encourages new learners
- Carry bag, including pump bag and kneel mats for each student
- Quick set-up and clean-up
